

# Assessment Practices

## Early Childhood Speech and Language Assessment Best Practices

**January 14, 2025**  
**12:00 p.m. - 1:00 p.m.**

Join Linsey Sandrew, veteran speech pathologist and CalECSE Exemplar Lead of Assessment Practices, for a no-cost, virtual training designed specifically for speech pathologists just beginning to work with the zero to five population.

### What Will Be Covered:

- Speech and language developmental milestones
- Recommended assessment tools and measures
- Strategies for assessing pragmatic language skills
- Play-based assessment techniques
- Tips for taking accurate language samples
- Insights into assessing gestalt language learners
- Navigating eligibility determinations under Education Code

Plus, get access to a customizable report template and countless tips to streamline your workflow and enhance your confidence in creating legally defensible, comprehensive assessments.

### Who Should Attend:

- Speech Pathologists
- Special Education Administrators
