

Early Intervention Essentials

Empowering Preschool Teachers
to Identify Potential Needs and
Make Effective Referrals

March 11, 2025
6:00 p.m. to 7:00 p.m.

Discover vital insights on the referral process for children into special education and learn effective referral strategies to ensure they receive the support they need for optimal development.

In this workshop, you will gain practical knowledge on:

- Understanding the referral process and its significance
- Learning how to effectively communicate concerns to parents and relevant professionals
- Exploring best practices for creating supportive learning environments

Equip yourself with the tools and confidence to make a difference in the lives of children and families. Together, let's ensure every child has the best opportunity to thrive!

Register Today.
