

Innovative and Inclusive Practices

Join CalECSE Network team members for a virtual upcoming Community of Practice Group (via Zoom) that will focus on how LEAs can develop and/or improve inclusion practices for preschool-age students! CalECSE educational practitioners will provide a forum for discussing and developing inclusion opportunities and a repertoire of guidelines, strategies and effective tools will be disseminated!

TARGET AUDIENCE: Includes SELPA Directors, Special Education Directors, Program Specialists, Early Childhood Special Education Teachers, and Early Childhood Specialists.
